Specific provision applicable to REGISTRATION, NEWSLETTER, CHAT CONSULTATION, SOCIAL MEDIA SITES AND INFORMATION (browsing the site) services:

Starting the service: By using these services, you acknowledge that Ilcsi will start the services without undue delay after the conclusion of the Contract and that you expressly request Ilcsi to start these services without undue delay within 14 days from the date of conclusion of this Contract. The services shall be deemed to have been fully performed when the digital content or service is made available to you. YOU REPRESENT THAT YOU ACCEPT THAT, UPON FULL PERFORMANCE OF THE SERVICES, YOU FORFEIT YOUR RIGHT OF WITHDRAWAL WITHIN 14 DAYS WITHOUT PROVIDING THE REASONS. However, please note that you may terminate these services at any time under this Contract (e.g., unsubscribe from the newsletter or delete your User Account).

G) LOYALTY PROGRAM

Ilcsi makes available a Retail Online Loyalty Program (**Loyalty Program**) to Users with a valid retail Registration and User Account on the Website; the Program is available in those of its Webshops where loyalty points are indicated for the products/services displayed. Users who purchase products and/or services through the Loyalty Program by logging into a User Account will receive loyalty points, the value of which can be redeemed for services or redeemed for a subsequent purchase in the Webshop. Loyalty points are not redeemable directly for cash or transferable to a third party. The collection and redemption value of loyalty points can be found here. The program is open only to retail Users registered on the Website. By accepting the General Terms and Conditions of Contract and the Privacy Notice during the online Registration process, the registrants are automatically enrolled in the Loyalty Program, without the need to apply separately. Users with a professional Registration (beauticians, **beautician students**, resale partners) are not eligible to join the Loyalty Program. Participation in the Loyalty Program is free of charge and does not create any purchase obligation for the User participating in the program.

Loyalty points are accumulated in the virtual account of the registered User Account for each logged-in purchase. In the event that a person purchases without a valid Registration or does not log in to the registered User Account at the time of purchase, and if he/she uses a different email address to log in, we will not be able to credit loyalty points for that order, even afterwards.

The Loyalty Program is linked to one currency only (HUF, EUR, PLN), and programs between different currencies/countries are not interoperable. Thus, loyalty points and discounts collected in the Webshops of different Websites are only valid in the Webshop of the given Website (the Webshop available on the Website where a valid retail registration exists) and cannot be used for purchases in the Webshop of any other Website. Only whole loyalty points can be collected during the point accumulation process, no fractional points can be collected. Loyalty points can only be earned for specific products and services purchased and paid for as indicated on the Website. Loyalty points can be earned for products/services on special offer, 'My Ilcsi' products and products/services purchased with a coupon, but no loyalty points will be credited for free product samples, gifts and for any consideration other than the purchase price of the product or service, shipping, packaging or other charges.

Loyalty points will be credited immediately upon payment by bank card, and in the case of cash on delivery, immediately upon receipt of the cash on delivery, but no later than the 2nd business day thereafter, and will be available for viewing in the User Account and redeemable for further purchases.

There is no limit to the maximum number of loyalty points that can be earned and Ilcsi reserves the right to determine and credit extra point values for certain products or services during individual promotions.

For registered retail Users, the current points balance and details of loyalty points credited and used can be viewed in the User Account after logging in.

If the User cancels the purchase (returns the products) or does not pay or receives a refund of the purchase price or service fee for the product or service, Ilcsi will deduct the loyalty points credited for the order in question from the User's points balance.

Loyalty points will also be deducted if there is any apparent error, abuse or fraud in the points balance, therefore Ilcsi reserves the right not to grant the loyalty points due to the unlawful accumulation of loyalty points or to revoke the loyalty points already granted.

If the cancellation is partial, i.e. in case of multiple products or services purchased at the same time, Ilcsi will only deduct the points credited for the product/service affected by the cancellation from the points balance.

If, prior to the deduction of points as described above, the User has already used a number of points equal to the number of loyalty points deducted subsequently, his/her point balance may be negative, in which case the loyalty points collected subsequently shall first be used to fill the negative point balance and only then shall the point balance be actually positively increased, after the deficit has been fully filled.

Redemption of loyalty points:

Loyalty points may be redeemed for all products and services available for purchase in the Webshop, by paying part or all of the purchase price of the products or services (including shipping costs) using the value of the loyalty points. Thus, the value of the loyalty points to be used will be deducted from the total value of the shopping basket – up to the total value of the shopping basket.

Loyalty points can only be redeemed when the purchase billed to the Registration holder.

Loyalty points may also be used for products and services purchased at a discount or with a coupon. In the case of promotions with a purchase limit, the basket value less the number of loyalty points used will be taken into account. In other words, if the shopping basket, including the loyalty points used, does not reach the value offering the discount, the user will not be entitled to the discount/gift advertised in the relevant purchase-limit promotion.

In the event of withdrawal from the purchase of a complete basket, if the registered User has paid part or all of the purchase price of the ordered products or services using points, the amount of points used will be re-credited to the User's balance, provided that the product(s), if the User is obliged to do so under this Contract, are returned to Ilcsi in accordance with this Contract. No point refund will be made for point values calculated into the delivery cost. Credit will be issued within 2 (two) business days of the return of the product(s). In the event of a partial withdrawal, i.e. if the User withdraws from part of the total purchase price, the amount of points used for the products or services affected by the withdrawal will not be re-credited to the registered User's balance, but will be considered by Ilcsi as having been used by the User to pay the purchase price of the product(s) not affected by the withdrawal.

In the case of a partial withdrawal, where the full amount of the purchase price has been settled with points, the redeemed points will be credited for the product or service affected by the partial withdrawal, within 2 (two) working days of its complete return in the case of a product, or immediately in the case of a service. If more loyalty points than the purchase price of the product or service not affected by the cancellation have been used in the order, we will credit the User's virtual loyalty account with the number of points in excess of the value of the loyalty points that can be used up to the purchase price of the product or service not affected by the withdrawal.

Unsubscribing from the Loyalty Program:

As the Loyalty Program is an integral part of the retail Registration system, it is only possible to exit the Loyalty Program by deleting the entire retail User Account. Deletion of Registration can be initiated by clicking/tapping on the Request Profile Deletion function after logging into the User Account. **Unused loyalty points are automatically deleted when the User Account is deleted and cannot be credited subsequently** (even if the same User registers again later with the same data and creates a User Account on the Website).

Ilcsi reserves the right to unilaterally modify or terminate the Loyalty Program, or any of its terms and conditions, at any time, subject to the terms and conditions of this Contract, subject to the rules governing the modification of the Contract. In the event of termination of the Loyalty Program or cancellation of loyalty points that have been accumulated for a long period of time but not redeemed, Ilcsi shall inform the Users participating in the Loyalty Program in advance and shall cancel the unused loyalty points on the 30th day following the date of sending the information. The User shall not be entitled to any consideration or virtual value for the points cancelled.

6. THE FORM, FILING AND AVAILABILITY OF THE CONTRACT

You acknowledge that this Contract is concluded in electronic form between you and Ilcsi, and Ilcsi shall not be obliged to send you the Contract in hard copy. Ilcsi, however, allows and also recommends you to download this Contract to your own data carrier or to print it upon reading and accepting it. You also acknowledge that Ilcsi shall not archive the Contract or any other communication or transaction concluded by and between you and

Ilcsi. Ilcsi will not keep this Contract on file. After conclusion, this Contract will be available on the Website under the 'General Terms and Conditions of Contract' menu.

7. LANGUAGE OF THE CONTRACT, WRITTEN FORM

The Contract is available in the following languages: in English and Hungarian on the Hungarian Website, in English on the English Website and in Polish on the Polish Website. This Contract is a distance contract, which shall be concluded by your conduct, and shall not qualify as a written contract.

8. AMENDMENT OF THE CONTRACT

Ilcsi reserves the right to **amend** this Contract **unilaterally**, with the condition that Ilcsi shall notify you of the amendment at least 5 (five) days prior to the effective date of such amendment, in the form of an announcement through the Website. To be able to become aware of and view the amendment, you need to have internet access and shall check the Website regularly. Ilcsi undertakes to indicate the effective date in the heading of the Contract text published on the Website. The amendment shall not affect the performance of any pending orders. The amended provisions shall apply to the orders placed after the effective date.

The current Contract is available in the 'General Terms and Conditions of Contract' menu on the Website.

You acknowledge and accept that if you continue to use the Webshop and the Website after the terms and conditions of this Contract have changed, Ilcsi will deem that you have accepted the amended version of the Contract.

9. TERMINATION OF THE CONTRACT

Withdrawal without giving reasons: The **User qualifying as a consumer** shall be entitled to withdraw from this Contract and from the order within 14 days, without giving any reason, pursuant to the provisions of Directive 2011/83/EU of the European Parliament and of the Council of 25 October 2011 on consumer rights (under Hungarian law, based on Government Decree No. 45/2014. (II. 26.)).

Please note that, having regard to the exclusions under law, in the case of our cosmetic products you may only exercise your right of withdrawal without any reason under law and specified below if you did not open the product.

If the product has been opened and you are not satisfied with it, you may claim a refund of the purchase price of the product under this contract in accordance with Section 13. (Warranty and commercial guarantee) below.

'Consumer' means any natural person who is acting for purposes which are outside his trade, profession or business.

In case of orders placed in the Webshop: The period for withdrawal shall be 14 days from the day of receipt of the ordered product by you or a third party (other than the courier) designated by you. In the case of supplying more than one product, the period for withdrawal shall be 14 days from the day of receipt by you or a third party (other than the courier) designated by you of the last product ordered. In the case of delivery of a good consisting of multiple lots or pieces, the deadline shall expire on the day of receipt by you or a third party (other than the courier) designated by you of the last lot or piece.

If you wish to exercise your right of withdrawal, you can make your unequivocal statement setting out your decision to withdraw by sending the model form available here or any other unequivocal statement on your withdrawal to Ilcsi by post or email to Ilcsi's address indicated at the beginning of the Contract (H-1021 Budapest, Üdülő út 37, Hungary) or to ugyfelszolgalat@ilcsi.com in Hungarian and customercare@ilcsi.com in English.

You shall be deemed to have exercised your right of withdrawal before the deadline if you send your statement on withdrawal (dispatch it by post or send by email) before the expiry of the above deadline (even on the last day of the deadline).

You may exercise their right of withdrawal also between the date of Contract conclusion and date of receipt of the product.

If it was the User who made the offer for Contract conclusion, he or she may withdraw from the offer before Contract conclusion, which shall terminate the binding effect of the offer for Contract conclusion.

If you withdraw from this Contract, we shall reimburse to you all consideration received from you, including the costs of shipment (delivery) (with the exception of the supplementary costs resulting from your choice of a type of delivery other than the least expensive type of standard delivery offered by Ilcsi), without undue delay and in any event not later than 14 days from the day on which we receive your statement on withdrawal.

In the case of reimbursement, we apply the same method of payment as the one used for the original transaction, except if you expressly grant your consent to the use of another method; you will be charged no additional costs whatsoever due to the use of such method of reimbursement. We may withhold reimbursement until we have received the goods back or you have supplied evidence of having sent back the goods, whichever is the earliest.

You shall send back the goods or hand them over to us without undue delay and in any event not later than 14 days from the day on which you communicate your decision on withdrawal (the date of dispatch or handover shall be governing). The deadline shall be deemed complied with if you dispatch the product before the expiry of the 14-day deadline (even on the last day). You will have to bear the direct cost of returning the goods as shipping cost. Ilcsi shall not take delivery of the package if it is returned by cash on delivery.

You are only liable for any diminished value of the goods resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the goods.

Ilcsi will forthwith confirm receipt of the User's withdrawal statement by email.

You shall not be entitled to the right of withdrawal as regards the following:

- a) **service contracts after the service has been fully and completely performed**, if the service is provided in full under a contract giving rise to an obligation to pay, if the performance has begun with the consumer's prior express consent, and with the acknowledgement that the consumer will lose his or her right of withdrawal once the contract has been fully performed by the trader;
- b) the supply of goods or services for which the price is dependent on fluctuations in the financial market which cannot be controlled by the trader and which may occur within the 14-day period;
- c) non-prefabricated goods made according to the consumer's instructions or at the consumer's express request, or which are clearly personalised;
- d) the supply of goods which are liable to deteriorate or expire rapidly;
- e) **the supply of sealed goods which are not suitable for return due to health protection or hygiene reasons and were unsealed after delivery**;
- f) the supply of goods which are, after delivery, according to their nature, inseparably mixed with other items;
- g) the supply of alcoholic beverages, the price of which has been agreed upon at the time of the conclusion of the sales contract, the delivery of which only takes place after thirty days and the actual value of which is dependent on fluctuations in the market which cannot be controlled by the trader;
- h) works contracts where the consumer has specifically requested a visit from the trader for the purpose of carrying out urgent repairs or maintenance;
- i) the supply of sealed audio or sealed video recordings or sealed computer software which were unsealed by the consumer after delivery;
- j) the supply of a newspaper, periodical or magazine with the exception of subscription contracts for the supply of such publications;
- k) contracts concluded at a public auction;

l) the provision of accommodation other than for residential purpose, transport of goods, car rental services, catering or services related to leisure activities if the contract provides for a specific date or period of performance;

m) the supply of digital content which is not supplied on a tangible medium if the performance has begun with the consumer's prior express consent and his or her acknowledgment that he or she thereby loses the right of withdrawal and the business has provided confirmation to the consumer.

Pursuant to the legal exclusion under point e) above, the User qualifying as a consumer **shall not be entitled to withdraw from the Contract without giving reasons if he or she has unsealed the product**, given that the product ordered by you will be a sealed product in each case, and is not suitable for return due to health protection or hygiene reasons after having been unsealed.

However, in the cases set out in points (a) to (c) and (e) above, the consumer may exercise his or her right of withdrawal if he or she has concluded the contract in the context of an **off-premises sale** or a **sale of goods with a sales presentation**.

Termination with immediate effect: Ilcsi may terminate this Contract with immediate effect with giving the reasons and may delete or suspend your order in particular in (but not limited to) the following cases:

- if you have violated the provisions of this Contract (or the conduct guidelines, if applicable) or the applicable laws;
- if you fail to pay the purchase price or fee of the ordered products or services by the deadline;
- if your conduct provides justified grounds for that, or if you cause damage in any other way;
- if you use the Webshop or the Website other than in the intended manner;
- if you infringe upon the conditions of intellectual property as regulated in the effective laws applicable to you or in the Contract, or violate them in any other way;
- if Ilcsi closes the Webshop.

In the case of registration, subscription to newsletter, chat consultation and information services, and services for social media activities, where you pay for the service with your data:

Termination without giving reasons: If you qualify as a consumer, you shall be entitled under law to terminate the service within 14 days of the conclusion of this Contract and even any time thereafter without having to give the reasons. As the service is not subject to a charge, Ilcsi has no reimbursement obligation to the User in this case (and you have no obligation to pay any fee for the already performed services to Ilcsi either). You may exercise your right of termination by using the declaration form valid under the applicable law in force or by sending a clear declaration to this effect. You shall be deemed to have exercised your right of termination before the deadline if you send your statement on termination before the expiry of the above deadline. You shall send your unequivocal statement setting out your decision on termination (or the completed model form) to Ilcsi (for example by post or email) to Ilcsi's address indicated at the beginning of the Contract (H-1021 Budapest, Üdülő út 37, Hungary) or to the ugyfelszolgalat@ilcsi.com email address in Hungarian and customer care@ilcsi.com email address in English.

If the provision of the service has not yet started, the User qualifying as a consumer shall be entitled to withdrawal without giving reasons, which shall be governed by the rules applicable to termination without giving reasons.

You acknowledge and represent that once the service has been fully performed or as regards digital content which is not supplied on a tangible medium (e.g. information service on the Website), once performance has been started (given that Ilcsi has begun performance with the User's prior express consent – see the statement at the end of Section 5 herein), you will lose your statutory right to termination without giving the reasons as above.

Irrespective of the above legal provisions, however, **in the case of the Registration, newsletter, chat consultation, information and social media services, under this Contract you may terminate the given contract any time in a unilateral statement addressed to Ilcsi in writing, without having to give reasons.**

Ilcsi may **terminate this Contract with immediate effect** and may delete or suspend your registration, the sending of newsletters to you or providing you the chat or information service in particular in (but not limited to) the following cases:

- if you have violated the provisions of this Contract (or the conduct guidelines, if applicable);
- if your conduct provides justified grounds for that, or if you cause damage in any other way;
- if you use the Webshop and/or the services other than in the intended manner;
- if you infringe upon the conditions of intellectual property as regulated in the effective laws or in the contractual terms and conditions, or violate them in any other way;
- if Ilcsi terminates the services.

The termination of services for **social media site activities** is subject to the social media providers' own terms and conditions; the above terms only apply to the termination of this Contract. Please note that, in the event of termination, your relevant social media activity after termination will constitute a new Contract between you and Ilcsi.

The provisions applicable to consumers of digital content or digital services provided in exchange for the purchase price or User personal data: Ilcsi will refrain from using any content other than User personal data (provided or created by the User) generated through the use of such content, unless (a) such content is not used in connection with the digital content or digital service provided by Ilcsi, or (b) relates solely to the consumer's activities in using the digital content or digital service provided by Ilcsi, or (c) has been aggregated by Ilcsi with other data and cannot be or could only be separated with disproportionate effort, or (d) has been produced by the consumer in association with other persons and may continue to be used by other consumers. These data, except for those referred to in points (a) to (c), shall be made available by Ilcsi to the consumer upon request and shall be retrievable by the consumer free of charge, without restriction, within a reasonable time, in a commonly used and machine-readable data format.

In the event of withdrawal from the Contract, Ilcsi may prevent the consumer from continuing to use the digital content and the digital service, in particular by making the digital content and the digital service inaccessible to the consumer or by blocking the consumer's user account. In the event of withdrawal from the Contract, the consumer undertakes to refrain from using the digital content or the digital service and from making it available to third parties. If the digital content has been provided on a physical medium, the consumer shall, at the request of the undertaking, communicated within fourteen days of becoming aware of the termination, return the physical medium without delay at the expense of the undertaking. The consumer shall pay a fee for the use of the digital content or digital service for the period prior to the termination of the Contract in proportion to the service contractually provided.

10. CIRCUMSTANCES OF PERFORMANCE

Shipment and receipt in case of orders placed in the Webshop: Ilcsi undertakes to attempt to deliver the package with the ordered products to the addressee within maximum 14 working days following order confirmation. Should there be problems in delivery which prevent compliance with this deadline, Ilcsi or its delivery agent will notify you of this without delay and will do their best to ensure delivery within the shortest time.

Delivery can take place in the manners indicated in the **'Information on Payment and Delivery'** document. You will need to select the delivery method before placing the order.

Delivery fee: The delivery fee depends on the delivery zone. Therefore, you will be required to pay the delivery fee indicated next to the zone in which your requested delivery address is located.

You can find the delivery zones and the accurate amounts of the relating fees in the **'Information on Payment and Delivery'** document.

If Ilcsi provides such opportunity and you choose to pay the price of the product upon delivery, you will be required to pay a cash on delivery [COD] fee (if applicable) in addition to the purchase price and the delivery fee at the time of payment. If Ilcsi provides such opportunity, extra delivery service (e.g. rapid delivery) may also be available. You can find the exact fees of COD or extra services, if any, in the **'Information on Payment and Delivery'** document.

Please read the 'Information on Payment and Delivery' before placing your order to be aware of the possible methods and exact fees of delivery!

Ilcsi may use a delivery agent for shipment. Ilcsi will send your order placed in the Webshop in the form of a parcel to the delivery address or parcel point. You shall be obliged to cooperate with both Ilcsi and the delivery agent so that products can be delivered without delay, in accordance with the data indicated in the order.

At the time of delivery and receipt, the delivery agent shall not be obliged to verify the identity of the receiving person. Delivery shall be certified by the signature of the receiving person, the recording of the receiving person's name by the delivery agent or, in the case of parcel point deliveries, the fact of receipt. If a person other than you takes delivery of the package, the terms and conditions of this Contract shall be binding on you in every respect the same way as if you acted at delivery. Delivery is only possible after payment of the COD fee (if any), signing of the delivery receipt or recording of the name or, for parcel point delivery, after application of the personal code.

In case of having to wait for longer than 15 minutes, the delivery agent may abort its delivery attempt and is entitled to leave without delivery, so that the successful delivery fails due to the fault of the User. In this case, the order will be returned, Ilcsi will cancel the order and, in the case of orders other than cash on delivery, the purchase price will be refunded to the User. In such case, Ilcsi is not obliged to redeliver the order to the User, but you may place a new order for the product.

Please check the product upon receipt in each case. If you detect any injury on the package, request it to be recorded and do not take delivery of the package.

If necessary due to force majeure, a legal provision or official measures, Ilcsi or the delivery agent may restrict or suspend orders and delivery, or change their terms.

Special rules pertaining to Registration, chat consultation and newsletter: Ilcsi shall provide you the affected services immediately upon completion of the Registration, subscription or as soon as you start using the chat window; in the case of Registration, the User Account, in the case of newsletter, the subsequent online advertising newsletter and, for consultation, the opportunity of sending the question and receiving the answer from the moment of starting to use the chat window.

The provision of **services for social media activities** is subject to the terms and conditions of the social media site providers.

11. THE RIGHTS OF ILCSI, CONDUCT GUIDELINES

Ilcsi reserves the right (but undertakes no obligation to) verify your identity with a view to avoid misleading identification data and the use of misleading content; and, in connection with that, Ilcsi shall be entitled to restrict your access until the completion of such verification process. Any delay resulting from that shall not result in a delay in performance, instead the deadlines undertaken by Ilcsi in the Contract shall be automatically extended by the term of such verification.

Ilcsi reserves the right (but assumes no liability) to repair the errors occurring on the Website.

At present, there is no code of conduct or conduct guidelines in effect pertaining to the use of the Website or the Webshop concerning the prohibition of unfair business-to-consumer commercial practices. The purpose of the conduct guidelines is for Ilcsi to set forth ethical and other rules of conduct in relation to the use of the Website, in addition to compliance with legal regulations. However, Ilcsi reserves the right (but assumes no obligation) to define and publish User conduct **guidelines**, and to amend them in the future in accordance with the rules applicable to the amendment of this Contract. Please also note that in Section 14 below, you will find the rules applicable to the Content you post, which you are obliged to follow in your activity as a User.

12. LIMITATION OF LIABILITY

YOU SHALL USE THE WEBSITE, THE WEBSHOP AND THE SERVICES AT YOUR OWN RISK.

ILCSI SHALL BE ENTITLED TO AMEND OR TERMINATE THE WEBSITE AND THE SERVICES AVAILABLE THEREON ANY TIME IN ACCORDANCE WITH THE RULES OF AMENDMENT OF THIS CONTRACT, AND FULLY EXCLUDES ITS LIABILITY FOR SUCH CHANGES. ILCSI HAS NO OBLIGATION TO CONTINUOUSLY MAKE AVAILABLE THE SERVICES INDICATED ON THE WEBSITE, EXCEPT TO THE EXTENT REQUIRED BY MANDATORY LEGAL PROVISIONS.

ILCSI EXCLUDES ALL LIABILITY FOR THE CONDUCT OF THE INDIVIDUAL USER.

EXCEPT TO THE EXTENT REQUIRED BY MANDATORY LEGAL PROVISIONS, ILCSI UNDERTAKES NO WARRANTY FOR THE USABILITY AND FUNCTIONALITY OF THE WEBSITE, THE SERVICES AND THE WEBSHOP, OR THAT THEY ARE FREE FROM ANY DEFECTS AND COMPLY WITH THE USERS' EXPECTATIONS; OR FOR THE SECURITY OF THE OPERATING SERVER OR ANY DAMAGE OCCURRING TO THE USER'S DEVICES.

ILCSI WILL NOT CHECK WHETHER THE LAWS APPLICABLE TO THE USER (I.E. YOUR PERSONAL LAW, OR THE LAWS APPLICABLE TO YOU BASED ON YOUR ADDRESS OR TEMPORARY RESIDENCE) OR ANY RELIGIOUS OR SOCIAL REGULATION PROHIBITS OR RESTRICTS THE USE OF THE WEBSITE, THE SERVICES, THE WEBSHOP OR ANY OTHER RELATED WEBSHOP; AND WILL NOT ASSUME LIABILITY FOR THE CONSEQUENCES OF ANY SUCH PROHIBITION OR RESTRICTION.

ILCSI SHALL NOT BE LIABLE FOR ANY OUTAGE OR UNAVAILABILITY OCCURRING DUE TO REASONS OUTSIDE ITS SPHERE OF INTEREST, FOR ANY FAILURE IN THE INTERNET CONNECTION NECESSARY FOR THE USE OF THE WEBSITE OR THE SERVICES AVAILABLE THEREON, OR FOR ANY RESTRICTIONS AFFECTING THE USE OF THE WEBSITE AND THE SERVICES OFFERED THEREON (INCLUDING YOUR ORDERS IN THE WEBSHOP OR ON THE WEBSITE) DUE TO LEGAL, OFFICIAL OR OTHER REASONS OR DUE TO FORCE MAJEURE.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ILCSI EXCLUDES ITS LIABILITY FOR DATA ENTRY AND DISPLAY ERRORS, OR ERRONEOUSLY INDICATED PRICES.

YOU SHALL BE SOLELY RESPONSIBLE FOR ANY ERROR IN THE DATA PROVIDED BY YOU. ILCSI SHALL NOT BE OBLIGED TO CHECK THE ACCURACY OF THE DATA PROVIDED BY YOU, AND HAS NO LIABILITY WHATSOEVER FOR ANY CONSEQUENCES RESULTING FROM IMPROPER OR IMPROPERLY PROVIDED DATA. YOU SHALL INDEMNIFY ILCSI FOR ANY CONSEQUENCES RESULTING FROM IMPROPER OR IMPROPERLY PROVIDED DATA AND WHICH ADVERSELY AFFECTS ILCSI.

PLEASE NOTE THAT YOU ARE LIABLE FOR THE ACCURACY OF THE CONTACT INFORMATION PROVIDED BY YOU FOR THE PURPOSES OF SERVICE-RELATED MESSAGES AND PACKAGE DELIVERY, FOR SUCH CONTACT INFORMATION TO BE SUITABLE FOR MESSAGE AND PACKAGE DELIVERY, AND THAT YOU ACTUALLY CHECK THE SAME AND/OR ARE NOTIFIED OF THE RECEIPT OF INCOMING MESSAGES AND CONSIGNMENTS.

ILCSI'S LIABILITY REGARDING PERFORMANCE OF THE ORDERS PLACED IN THE WEBSHOP OR ON THE WEBSITE SHALL BE LIMITED TO THE CONTRACT PRICE OF THE AFFECTED PRODUCTS.

ILCSI'S FULL LIABILITY REGARDING THE CONTRACT SHALL BE LIMITED TO THE FULL NET AMOUNT THE GIVEN USER PAID TO ILCSI UNDER THE CONTRACT IN THE 12 MONTHS PRECEDING THE DAMAGE.

ILCSI SHALL IN NO EVENT BE LIABLE FOR ANY CONSEQUENTIAL DAMAGE, PROFIT OR INCOME FOREGONE, LOST PRODUCT OR SERVICE USE. THIS LIMITATION AND EXCLUSION OF LIABILITY SHALL NOT APPLY TO DAMAGE REGARDING WHICH THE LIMITATION OR EXCLUSION OF LIABILITY IS RULED OUT UNDER MANDATORY LAW.

Force Majeure: For the purposes of this Contract, all extraordinary events that prevent the fulfilment of this Contract, are beyond your and Ilcsi's control, and the effects of which neither you or Ilcsi is able to avert, shall qualify as force majeure. If performance of the obligations under this Contract is prevented by force majeure beyond the control of the party concerned (you or Ilcsi), neither you or Ilcsi shall be liable, and this shall not qualify as breach of contract. In case of force majeure, the affected party (you or Ilcsi) shall inform the other party thereof without delay, and do their best to perform the contractual obligations within a reasonable period.

If the force majeure persists for more than 2 months, either party (you or Ilcsi) may terminate this Contract with immediate effect.

13. WARRANTY AND COMMERCIAL GUARANTEE

Warranty for material defects

You as a consumer may enforce your warranty claims for material defects against us in the case of Ilcsi's defective performance.

Under Hungarian law, you may enforce the claim in accordance with the rules of the Civil Code, which are as follows:

At your option, you may enforce the following warranty claims:

You may claim either repair or replacement, unless compliance with the chosen warranty right is impossible or it results in disproportionate expenses on the part of the company as compared to the alternative remedy. If you did not, or had no grounds to, request repair or replacement, you may ask for a commensurate reduction in the consideration or – as a last resort – you may withdraw from the Contract. (If the Contract is not for the sale of goods or the provision of digital content or digital services for consideration or for the provision of User personal data, you may, in addition, repair the defect yourself or have it repaired by another party at Ilcsi's expense.)

You are also entitled to claim a proportionate reduction of the price or to terminate the Contract if Ilcsi has failed to repair or replace the goods, or has done so but has not ensured the return of the replaced goods at its own expense, or has refused to make the goods conform to the Contract; or if there has been a repeated failure to perform, despite Ilcsi's attempts to make the goods conform to the Contract; the non-performance is of such a serious nature as to justify immediate price reduction or immediate termination of the Contract; or Ilcsi has not undertaken to bring the product into conformity with the Contract or it is obvious from the circumstances that Ilcsi will not bring the products into conformity with the Contract within a reasonable time or without significant detriment to you. If the consumer wishes to terminate the Contract on the grounds of defective performance, the burden of proving that the defect is insignificant shall be on the undertaking. The consumer shall be entitled to retain all or part of the remaining purchase price, in proportion to the seriousness of the lack of conformity, until the undertaking has fulfilled its obligations regarding the conformity of the performance and the lack of conformity.

The consumer may terminate the Contract without a request for performance by the undertaking in the case of digital services provided for consideration or in return for personal data if the undertaking has not undertaken to supply the digital content or to provide the digital service or it is clear from the circumstances that it will not supply the digital content or provide the digital service; or it is clear from the agreement of the parties or the circumstances in which the contract was concluded that it is essential for the consumer to perform within a specified period of time and the undertaking fails to do so.

You may switch from the selected warranty right to another, however, the cost of switch-over shall be covered by you unless it was made necessary by the company's conduct or for other justified reasons.

You shall be required to inform the company of any lack of conformity without delay after noticing it. If you fail to notify us of a defect within two months of discovering the defect, you will be liable for any damages resulting from the delay. Nevertheless, please be aware that your right to enforce your claim under warranty for material defects shall expire after a limitation period of two years, calculated from the performance of the Contract.

You may enforce your warranty claim for material defects against Ilcsi.

If you enforce your warranty claim within 1 year from the date of performance, it shall not be conditional upon anything else but the communication of the defect, provided that you prove that the product was provided by Ilcsi. After 1 year from the date of performance, however, it is you who has to prove that the defect you detected

had already existed at the moment of performance. (If it is not goods or a digital service provided for consideration or in exchange for personal data of the User; because in such a case, the period is 6 months.)

Ilcsi will ensure the return of the replaced product at its own expense.

If the consumer terminates the Contract in its entirety or in respect of part of the products supplied under the Contract, the consumer must return the goods concerned to the undertaking at the undertaking's expense; and the undertaking must reimburse the consumer immediately for the purchase price/service charge paid for the product or digital service concerned, in the case of a product, as soon as the product or the return certificate has been received. The undertaking shall reimburse the amount refunded to the consumer in the same way as the consumer used to make the payment and the cost of the reimbursement shall be borne by the undertaking. With the express agreement of the consumer, the undertaking may use another method of payment for the refund, but the consumer shall not be charged any additional fee as a result.

The product or digital service provided in exchange for consideration or User personal data must be fit for any purpose specified by you, which you have made known to Ilcsi at the latest at the time of the conclusion of the Contract and which Ilcsi has accepted, and must be fit for the purposes required by law for the same type of service.

Product warranty

In the case of ordering a product in the Webshop: In case of defect in the ordered product, you as a consumer may choose to enforce claims under the above warranty for material defects or product warranty claims.

Under Hungarian law, you may enforce the claim in accordance with the rules of the Civil Code, which are as follows:

As product warranty claim, you may only request repair or replacement of the defective product.

A product shall be deemed defective if it does not meet the requirements related to conformity in effect at the time of placing on the market, or it does not meet the specifications provided by the manufacturer.

You may enforce your product warranty claim within two years from the date when the product was placed on the market by the manufacturer. Upon expiry of this deadline you shall forfeit this right.

Product warranty claims can only be enforced against the manufacturer or distributor of the product. In case of enforcing a product warranty claim, the defect of the product shall be proven by you.

The manufacturer (distributor) shall only be relieved of its product warranty liability if it can prove that:

- the product was not produced or distributed within the framework of its regular business activities, or
- at the time the product was placed on the market the defect could not have been discovered according to the current state of scientific and technological achievements, or
- the defect in the product was caused by the application of a statutory or regulatory provision.

In order to be relieved of liability, it is enough for the manufacturer (distributor) to prove one reason.

Please be informed that you may not enforce a claim under warranty for material defects and product warranty claim at once, in parallel, based on the same defect. However, if your product warranty claim is enforced successfully, you may enforce your claim under warranty for material defects concerning the replaced product or the repaired part, against the manufacturer.

Commercial guarantee:

Ilcsi **undertakes commercial guarantee according to the below conditions** for the products and services available on the Website and in the Webshop, unless Ilcsi is obliged to provide other commercial guarantee by law in addition to those set forth below; in such a case, it will undertake guarantee to the extent mandatorily required by law. performance by Ilcsi with the condition, that due to the same defect you cannot assert a warranty claim for material defects and a claim for commercial guarantee, as well as a product warranty claim and a claim for commercial guarantee at the same time, parallel with each other. Otherwise, you are entitled to the rights arising from commercial guarantee regardless of the warranty rights for material defects and product warranty Ilcsi is released from its obligation arising from commercial guarantee under this contract set forth below only if it proves that the cause of the defect arose after performance.

By accepting this Contract, you agree to pay damages to Ilcsi for the unauthorised use of any content of the Website or the Webshop (whether text, image or database).

For infringing on our copyrights in the product photos on the Website (e.g. copying, displaying on another website, other unauthorised use) you shall pay HUF 30,000 net per product photo and per use as damages to Ilcsi, in one instalment and immediately.

The above damages amount has only been determined and is only payable based on infringement of Ilcsi's rights to product photos; it shall not include other copyright infringements or their consequences, the violation of, compensation for or the consequences of infringements of other rights of Ilcsi, nor does it include any other legal consequence other than damages (including but not limited to the repayment of any enrichment), which Ilcsi reserves the right to enforce.

Furthermore, the amount indicated above shall be construed as a minimum compensation regarding the specified copyright infringement. Ilcsi reserves the right to enforce further relevant damages, if any.

Ilcsi reserves the right – but assumes no obligation – to edit the Website at its own option, form it according to its own demands, and to upload and delete contents to and from the Website.
